Good afternoon FFP alums,

The Foreign Policy Fellowship Program is inviting all alumni who are **current congressional staffers** to express their interest in attending a 4-day StaffDel to New York City to focus on Homeland Security Issues from May 30th to June 2nd. We are currently working with DHS to update last year's itinerary (attached) to make this year's trip even better!

If you are interested in attending, please reply to this email with your name, title, office, and short line about how this trip would impact your work (e.g., your boss really cares about these issues, you're working on related legislation, etc.) by **COB on Wednesday**.

We are looking to make our final selections by the end of the week and will inform you if you have been selected to participate.

We will be submitting all required pre and post trip paperwork to the House and Senate Ethics Committees.
